

The front and back of the coin

Here is a key fighting successfully
through market competition.

As it were,
The right side and
wrong side of the coin.

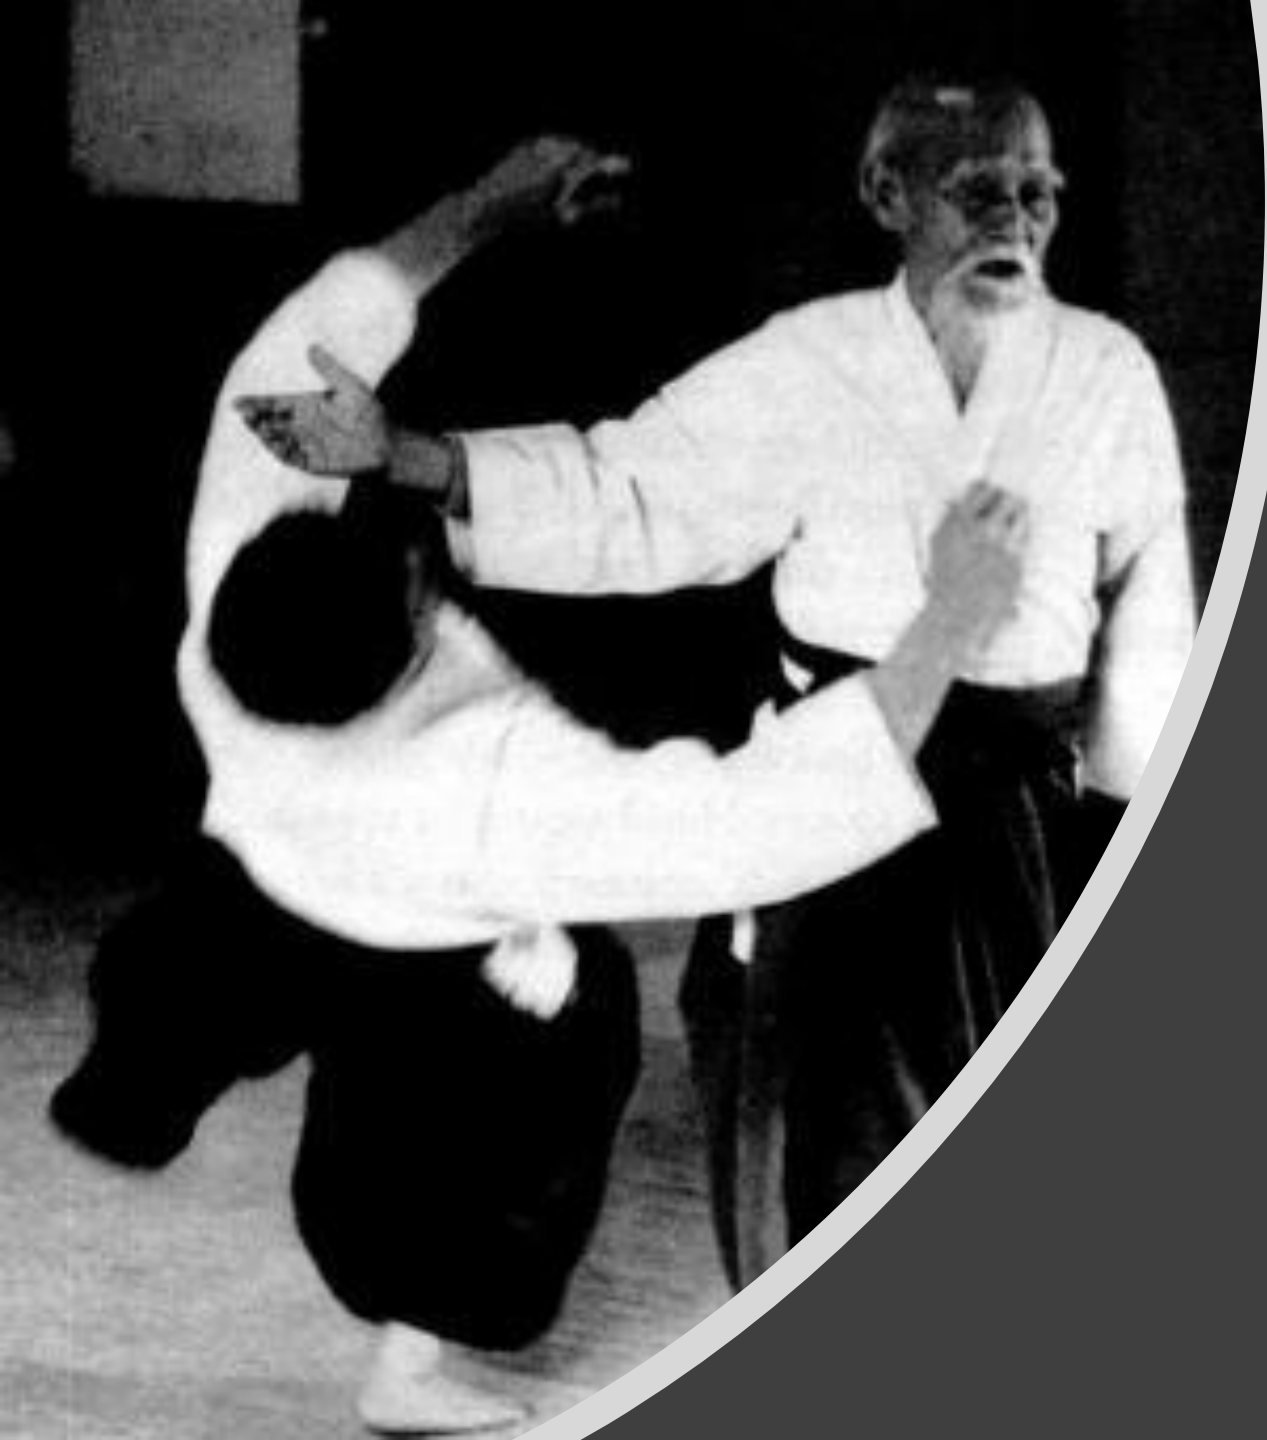

The gain and
loss side of the coin.

The win and
lose side of the coin.

I cannot win
However
I do not lose

In the secret of the old martial arts

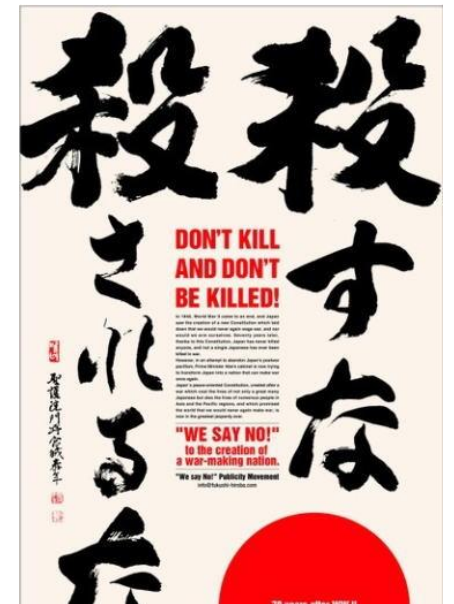

We sue for living together
peace

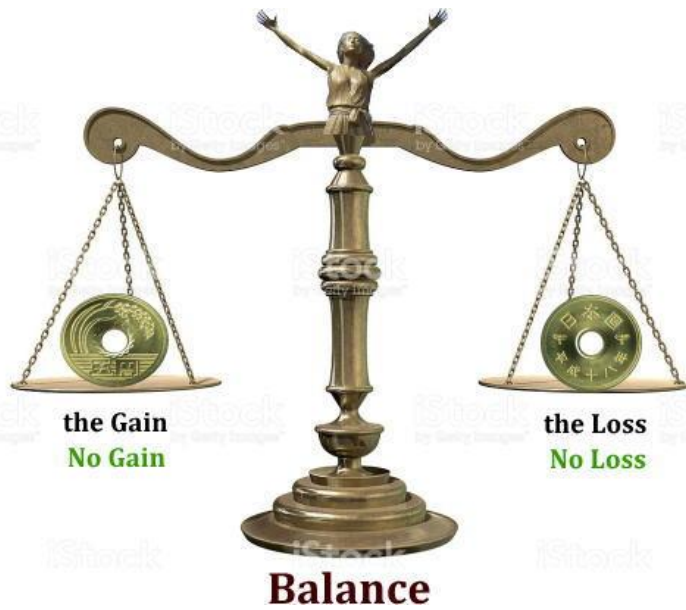

and are settled without
murdering each other.

We put my heart and soul
into defense without
attack

Don't kill!
Don't be killed!

Article 9 of Constitution
in Japan

Let's wish for Economy
without wish for Moneymaking
on the Happy Road.

The contradiction is balance.
